Human-Computer Interaction Undergraduate at UC San Diego with a passion for designing global solutions

RELEVANT EXPERIENCE

UCSD Global TIES Program, San Diego CA — *User Researcher*

JAN 2024 - APR 2024

Conducted user research through interviews and surveys to understand the community's needs and cultural stigmas surrounding mental health and collaborated with an interdisciplinary team to develop a mobile application addressing mental health needs within the Vietnamese community.

Princess Nails, Murrieta CA — *Social Media Manager*

DEC 2022 - PRESENT

Managed social media presence for a salon with over 30 years in business, creating engaging content to attract new clients and retain loyal customers and developed content strategies to boost online engagement and drive business growth.

Freelance, Remote — *User Interface Designer*

MAR 2023 - DEC 2023

Assisted a professional UI/UX designer in developing web applications, participating in user research, wireframing, and prototyping and applied industry best practices to enhance the design process and improve user experience.

PROJECTS

A Happier Me — *User Interface Developer*

Collaborated with an interdisciplinary team to develop a mobile application developed using Flutter, ensuring cross–platform compatibility and efficient development.
